## **About the Camp**

Forum of Free Enterprise, jointly with M. R. Pai Foundation, Mumbai, has been organising residential leadership training camps for youth for several decades. Since the first camp held in 1983, over 1,300 youngsters have participated and benefited. Many alumni today occupy important positions in professions and businesses across India.

A new initiative has been taken this time to present this camp at Vijaywada jointly with SKPVV Institutions who have generously provided lodging boarding facilities at Vidyardhi Students Home. The Dormitory accommodation is Bunk bed style.
